

Listening to Christian Hill Community Church Online

Complete the following steps on a computer with internet access and sound to listen to CHCC from sermoncloud.com:

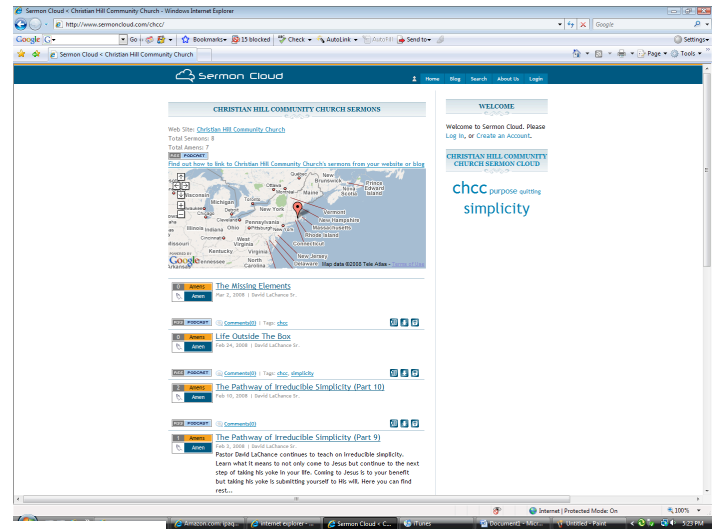

Step 1: Open a web browser (like Internet Explorer)

Step 2: In the address toolbar, type the web address www.christianhill.com/media and then press enter:

Step 3: The main page will look similar to this. Find the sermon that you wish to listen to from the list below the map. **Click the title** of the sermon that you wish to hear. The newest weeks will be on top of the list.

(Visitors are allowed to create a free account but this is NOT required. You can listen to sermons without creating an account if you wish to keep it simple!)

Step 4: After clicking a sermon, you will have options to “Launch Jukebox”. Upon clicking this link, a second small window will pop up and start playing the audio.

(Another popular option is to “Download Sermon” as an mp3 file. This saves a copy to your hard drive.)
